

Foto Flexer

What is Foto Flexer?

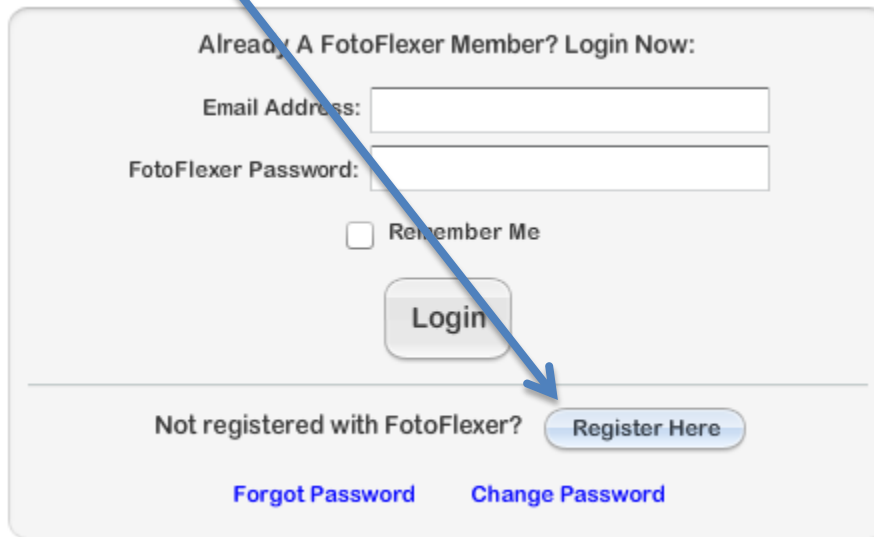

Foto Flexer is an online photo editing website. This website allows you to do many things including getting rid of the red eye in your picture, getting rid of wrinkles, pimples, and even doodle on yourself. This website gives you the chance to save your photos on your own account or just saving it to your computer.

How to Set Up an Account

- 1 Click login at the top right-hand corner of the page.

- 2 Next, you click on Register Here
